

Institute for Emergency Care Training
Emergency Medical Technician Refresher Course

January 6 – June 9, 2025

Wednesday & Thursday Evenings - 6:30 p.m. - 10:00 p.m.

(Some Monday evenings may be required based on challenge exam performance)

**** REGISTRATION: January 6, 2025 - 6:30 PM (Note location below) ****

This course will prepare the currently certified Emergency Medical Technician for recertification as required by New York State every three years. Students will be re-certified in CPR, updated on protocol and treatment practices and will receive instruction on the new components of the basic EMT curriculum. Upon successful completion of the course, the candidate will take the New York State Basic EMT certification exam. Written & Practical challenge components will be offered and required classes will be determined by the student's performance on these exams. Course fees totaling \$475 must be **paid in full** on or before the night of registration by **certified check or money order**. Students may also pay by credit card at <https://montefiore.enrollware.com>. Course fees include tuition (\$400) & BCLS certification (\$75). **The required course textbook/workbook with online access is available for purchase.** Options will be discussed in your confirmation letter and on registration night.

Low cost group purchasing of necessary equipment (stethoscope, blood pressure cuff, penlight, etc.) will be available. Students should have a blue or black ink pen and a least one 3" binder for materials, and a watch. #2 pencils are required for written exams. **Students will also need to have a tablet or computer, internet access, current web browser and an email address.**

New York State funding is available for members of certified ambulance agencies. Please enclose an agency verification form with an **original signature** in lieu of tuition & a **certified check or money order ONLY** for \$65 for BCLS Certification.

****Registration will be conducted at 600 East 233 Street, Bronx, NY 10466
